

**Ned Flanders on Taxes**

Oh, January 1st! Better get going on those taxes, Neddy!  
-- Ned Flanders wakes up at midnight, "The Trouble With Trillions"

% The hours are getting on now, and Ned is finishing up his taxes. Todd  
% enters.

Todd: Daddy, what do taxes pay for?

Ned: Oh, why, everything! Policemen, trees, sunshine! And lets not forget the  
folks who just don't feel like working, God bless 'em!
